

Knitting/crocheting patterns are available for anyone who shows an interest but you can also use any you have yourselves. We just ask that they are not too big (so they fit in the palm of your hand). This food production needs to start as soon as possible if we are going to get enough food for the August Bank Holiday. So, if this is something you feel you could help with, we would love you to be involved. You will find links to patterns at the bottom of this article. To find out where to send your food please email linda.mead@urc.org.uk and we will let you know where to take or send them.

We will also need a large amount of wool for the festival so if you have any to spare (however small) we would love to hear from you too.

On the last day of the festival volunteers will head out to distribute the food. An attached postcard will say that this food is a gift from the URC to remind them of Greenbelt and will include a food for thought/challenge to take away with them.
