

# Vocations Sunday 2009

25th January

## United Reformed Church

Church House  
86 Tavistock Place

This pack is designed for those who lead worship. We hope it will speak clearly to potential candidates for "traditional" areas of ministry. We encourage you also to use it to assist people of all ages to consider what God is calling them to be.

## How to use this material

This material is being sent to United Reformed Church ministers who are still exercising ministry and to ministers of other churches who are working with the United Reformed Church in LEPs. We are also sending the pack to Nationally Accredited Lay Preachers and to ministerial students.

We would be grateful if ministers would ensure that anyone who is not included in one of these categories but who will be arranging Vocations Sunday worship is given a copy of the pack. The different types of material have been colour coded for your convenience and please feel free to photocopy whichever parts of the material you choose. The pack will also be on the Ministries' page of the website for all who have access to the site.

The material has been produced around the Revised Common Lectionary readings for Sunday 25th January 2009 but you are free to use the material at any time of year to fit in with your church's programme.
